► **Inaugural Beach Break Entertainment Film Festival**

Beach Break Entertainment hosted its first film festival at the end of December. The festival lineup featured films by California filmmakers with a heavy emphasis on documentaries. The three-day festival ran from Dec. 28 – 30 at the Coastal Repertory Theatre in Half Moon Bay, and featured top independent films, and question-and-answer sessions with some of the filmmakers. The three-day event garnered rave reviews, and both the first and last screenings, "Waterman" and "Hallelujah: Leonard Cohen, A Journey, A Song," were sold out events.
